# AGENDA REPORT

TO: HONORABLE MAYOR AND COUNCIL MEMBERS

FROM: CITY MANAGER

DATE: October 4, 2022

SUBJECT: Adopt a Resolution of the City Council of the City of Clayton Allowing for Video and Teleconference Meetings as Needed during the COVID-19 State of Emergency Under AB 361

#### RECOMMENDATION

Adopt a Resolution of the City Council allowing for video and teleconference meetings as needed during the COVID-19 state of emergency under AB 361.

#### BACKGROUND

Last year, the State Legislature passed and Governor Newsom signed AB 361 which continues many of the provisions related to the Brown Act that were in place under Executive Orders, which expired September 30, 2021 that allowed for video and teleconferencing during the state of emergency. Since AB 361 has been signed into law, the City can continue to meet virtually until such time as the Governor declares the State of Emergency due to COVID-19 over and measures to promote social distancing are no longer recommended by the County Health Officer.

On September 20, 2021, February 2, 2022, March 1, 2022, April 15, 2022, June 14, 2022, July 5, 2022, August 9, 2022 and September 1, 2022, the Contra Costa County Health Officer issued recommendations for safely holding public meetings and continues to encourage on-line meetings over in-person public meetings if feasible. If in-person meetings occur, the County Health Officer recommends physical distancing of six feet of separation between all attendees to the extent possible. The proposed resolution provides that the City Council and all subsidiary City boards and commissions may choose to hold fully virtual video and teleconference meetings while the state of emergency is still in effect and physical distancing is recommended.

In order to continue to be able to hold video and teleconference meetings <u>as needed for</u> <u>COVID/public-health related reasons</u>, the City Council will need to review and make

findings every thirty days that the state of emergency continues to directly impact the ability of the members to meet safely in person and that state or local officials continue to impose or recommend measures to promote physical distancing.

#### FISCAL IMPACT

None.

## AGENDA REPORT

TO: HONORABLE MAYOR AND COUNCILMEMBERS

FROM: Larry Theis, P.E., City Engineer

DATE: October 04, 2022

**SUBJECT:** Second Reading and Approval of An Ordinance Levying Special Taxes Within Community Facilities District No. 2022-01 (Public Services)

#### RECOMMENDATION

Staff recommends that the City Council:

1. Perform second reading of and approve an Ordinance Levying Special Taxes Within Community Facilities District No. 2022-01 (Public Services).

#### BACKGROUND

On February 2, 2021, the City of Clayton (the "City") City Council (the "Council") approved Resolution No. 05-2021, *A Resolution Approving the Development Plan (DP-01-20); The Vesting Tentative Parcel Map (Map-01-2020); and the Tree Removal Permit (TRP-09-2020) for the Diablo Meadows Single Family Residential Project* (the "Resolution"). The Resolution also approved the conditions of approval for the Diablo Meadows project (the "Project"), an eighteen (18) single family residential development located west of Mitchell Canyon Road and northwest of Herriman Court.

As a condition of the Project, DeNova Homes (the "Developer") was conditioned to establish a Homeowner's Association ("HOA") for the purpose of funding and maintaining all public and private landscaping and stormwater facilities on or adjacent to the development. In addition, the Developer was conditioned to provide a funding mechanism to offset the Project's financial impacts on the City's streetlight system and to fund the stormwater improvements, should the HOA fail to maintain the stormwater improvements at a level that meets City standards.

The Developer requested the City assist with the formation of Community Facilities District No. 2022-01 (Public Services) ("CFD No. 2022-01") to satisfy these conditions. CFD No. 2022-01 will fund authorized services as described in the Resolution of Formation, which generally includes maintenance of City streetlights, maintenance, inspection, and replacement of stormwater facilities, and any costs associated with administering CFD No. 2022-01.

Subject: Second Reading and Adoption of an Ordinance Levying Special Taxes Within Community Facilities District No. 2022-01 (Public Services) Date: October 4, 2022 Page 2 of 3

The boundaries of CFD No. 2022-01 include only the Project area, which encompasses Assessor Parcel Numbers 121-090-023 through 046, as shown on the Boundary Map within the Community Facilities District Report. The Boundary Map also identifies a future annexation area, which is contiguous with City limits. The future annexation area facilitates the annexation of future developments within the City into CFD No. 2022-01, with Council approval and the unanimous approval of the applicable property owner(s), to offset the financial impact for each respective development.

The formation of CFD No. 2022-01 and approval of the future annexation area does <u>not</u> authorize the CFD to levy a special tax within the future annexation area currently. The landowners or registered voters within such future annexation area will have the opportunity to review the special taxes applicable to their property, and vote to approve the annexation at some time in the future that the City considers annexing such property into the CFD. Upon completion of such annexation, the special tax will only be authorized to be levied within CFD No. 2022-01, and any portion of the future annexation area that has completed annexation procedures to annex into the CFD.

The City received a signed petition from the Developer requesting the establishment of CFD No. 2022-01. The Council then adopted Resolution No. 66-2022 which Declared the Intention to Establish CFD No. 2022-01 on August 16, 2022. Following the August 16, 2022 Council Meeting, election materials were sent to the property owner of the project, the City Clerk recorded the Boundary Map, a Community Facilities District Report was filed with the City Clerk, and the City Clerk published a Notice of Public Hearing in the local newspaper at least seven days prior to the hearing date.

On September 20, 2022, the City Council held the noticed public hearing, adopted Resolution No. 70-2022 which formed CFD No. 2022-01, adopted Resolution No. 71-2022 which called for a special landowner election to authorize the levy of special taxes within CFD No. 2022-01 for FY 2022/23 and each fiscal year thereafter, held the special landowner election and subsequently adopted Resolution No. 72-2022 declaring the results of the election which was a unanimous vote in favor of the levy of special taxes, and introduced an Ordinance authorizing the levy of a special tax commencing in Fiscal Year 2022/23 and each fiscal year thereafter solely within and relating to CFD No. 2022-01.

As required by the CFD Act, the notice of special tax lien was recorded at the Contra Costa County Recorder's office. The recording of the notice of special tax lien will inform all interested parties, including title companies, lenders, and future home purchasers, that the property is located within CFD No. 2022-01 and is subject to the special tax.

Subject: Second Reading and Adoption of an Ordinance Levying Special Taxes Within Community Facilities District No. 2022-01 (Public Services) Date: October 4, 2022 Page 3 of 3

Final adoption of the Ordinance is scheduled to place at the October 4, 2022 City Council meeting. Should Council adopt the Ordinance, the City Clerk is required to publish the Ordinance within 15 days after its passage in a newspaper of general circulation that is published and circulated in the City. Publication of the Ordinance will complete the CFD formation proceedings and authorize the levy of special taxes within CFD No. 2022-01 commencing with Fiscal Year 2022/23.

#### FISCAL IMPACT

There will be no financial impact on the City's General Fund. The Developer for the Project pays all costs associated with the formation of CFD No. 2022-01. The proposed annual maximum special tax rate for CFD No. 2022-01, in Fiscal Year 2022/23 dollars, is \$951.71 per home. However, \$603.28 of the maximum special tax corresponds to the maintenance of the Project stormwater improvements, and is not anticipated to be levied unless the HOA fails to maintain the improvements to City standards. The eighteen (18) homes within the Project area are the only parcels subject to the CFD No. 2022-01 special tax currently. As specified in the Resolution of Formation Exhibit B (Rate and Method of Apportionment), the annual maximum special tax shall be increased annually by applying the greater of the percentage increase, if any, in the Consumer Price Index for the San Francisco-Oakland-Hayward, CA (All Urban Consumers) for the prior year, or 3%, to the maximum special tax in effect for the prior fiscal year. Each annual adjustment of maximum special tax shall become effective on the subsequent July 1.

#### CONCLUSION

Staff recommends the City Council adopt an Ordinance Levying Special Taxes Within Community Facilities District No. 2022-01 (Public Services).

#### THE CITY COUNCIL CITY OF CLAYTON, CALIFORNIA

WHEREAS, the City Council (this "Council") of the City of Clayton (the "City") has adopted a resolution entitled "A Resolution of the City Council of the City of Clayton, CA Stating the Intention to Establish A Community Facilities District and Future Annexation Area" (the "Resolution of Intention"), and has conducted proceedings (the "Proceedings") to establish (i) the "City of Clayton Community Facilities District No. 2022-01 (Public Services)" (the "CFD") and (ii) the "City of Clayton Community Facilities District No. 2022-01 (Public Services)" (the "CFD") and (ii) the "City of Clayton Community Facilities District No. 2022-01 (Public Services) (Future Annexation Area)" (the "Future Annexation Area") pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing with Section 53311, of the California Government Code (the "Act") to fund certain municipal services (the "Services) as provided in the Act.

WHEREAS, pursuant to notice as specified in the Act, and as part of the Proceedings, the Council has held a public hearing under the Act relative to the determination to proceed with the formation of the CFD and the Future Annexation Area and the rate and method of apportionment of the special tax ("Special Tax") to be levied within the CFD to finance the Services, and at such hearing all persons desiring to be heard on all matters pertaining to the formation of the CFD and the levy of the Special Tax were heard, substantial evidence was presented and considered by this Council and a full and fair hearing was held.

**WHEREAS**, upon the conclusion of the hearing, this Council adopted a resolution entitled "Resolution of the City Council of the City of Clayton, California Establishing Community Facilities District No. 2022-01 (Public Services) and Designating a Future Annexation Area and Taking Other Actions Relating Thereto" (the "Resolution of Formation"), pursuant to which it completed the Proceedings for the establishment of the CFD and the Future Annexation Area, the authorization of the levy of the Special Tax within the CFD and the calling of an election within the CFD on the propositions of levying the Special Tax and establishing an appropriations limit within the CFD, respectively.

**WHEREAS,** on September 20, 2022, a special election was held among the landowner voters within the CFD at which such voters approved such propositions by the two-thirds vote required by the Act, which has been confirmed by resolution of this Council.

NOW THEREFORE, THE CITY COUNCIL OF CLAYTON, CALIFORNIA DOES ORDAIN as follows:

Section 1. <u>Special Tax Authorized.</u> By the passage of this Ordinance, the Council hereby authorizes and levies the Special Tax within the CFD (including any parcel or parcels in the Future Annexation Area that annex into the CFD) pursuant to sections 53328 and 53340 of the Act, at the rate and in accordance with the Rate and Method of Apportionment of Special Tax set forth in the Resolution of Formation which rate and method is by this reference incorporated herein.

The Special Tax is hereby levied commencing in fiscal year 2022/23 and in each fiscal year thereafter to pay for the Services for the CFD, as contemplated by the Resolution of Formation and the Proceedings, and all costs of administering the CFD.

Section 2. <u>Collection Official</u>. Following the approval by the Council of a budget for the CFD for each fiscal year after 2022/23, the Public Works Director/City Engineer or designee, or an employee or consultant of the City (the "Collection Official"), is hereby authorized and directed each fiscal year to determine the specific Special Tax rate and amount to be levied for the next ensuing fiscal year for each parcel of real property within the CFD (including any parcel or parcels in the Future Annexation Area that annex into the CFD), in accordance with such approved budget and in the manner and as provided in the Resolution of Formation. In the event the Council has not adopted a budget for the CFD by July 31 of any year, the budget for that fiscal year shall be the same as the budget for the previous fiscal year.

Section 3. <u>Exemptions</u>. Properties or entities of the state, federal or local governments shall be exempt from any levy of the Special Taxes, to the extent set forth in the Rate and Method of Apportionment. In no event shall the special taxes be levied on any parcel within the CFD in excess of the maximum Special Tax specified in the Rate and Method of Apportionment.

Section 4. <u>Use of Special Tax</u>. All the collections of the Special Tax shall be used as provided in the Act and in the Resolution of Formation, including, but not limited to, the payment of costs of the Services, the payment of the costs of the City in administering the CFD, and the costs of collecting and administering the Special Tax.

Section 5. <u>Secured by a Lien.</u> The Special Taxes authorized to be levied shall be secured by the lien imposed pursuant to Section 3114.5 and 3115.5 of the California Streets and Highways Code, which lien shall be a continuing lien and shall secure each levy of the Special Taxes. The lien of the Special Tax shall continue in force and effect until the Special Tax obligation is cancelled in accordance with law or until the Special Tax ceases to be levied by the Council.

Section 6. <u>Collection Method.</u> The Special Taxes of the CFD shall be collected as necessary to meet the financial obligations of the CFD on the secured tax roll in the same manner as ordinary *ad valorem* taxes are collected and shall have the same lien priority, and be subject to the same penalties and the same procedure and sale in cases of delinquency as provided for *ad valorem* taxes; provided, however, that the Council may provide for other appropriate methods of collection by resolution(s) of the Council. In addition, the provisions of Section 53356.1 of the Act shall apply to delinquent Special Tax payments. In each fiscal year commencing in the fiscal year 2022/23, the Collection Official is hereby authorized and directed to provide all necessary information to the auditor/tax collector of the County of Contra Costa and to otherwise take all actions necessary in order to effect proper billing and collection of the Special Tax, so that the Special Tax shall be levied and collected in sufficient amounts and at the times necessary to satisfy the financial obligations of the CFD, and include on the secured property tax roll of the County of Contra Costa for Fiscal Year 2022/23 and for each fiscal year thereafter until no longer required to pay for the Services or until otherwise terminated by the City.

Notwithstanding the foregoing, the Collection Official may collect the Special Taxes by means of direct billing by the City to the property owners within the CFD if, in the judgment of the Collection Official such means of collection will reduce the administrative burden on the City in administering the CFD or is otherwise appropriate in the circumstances. In such event, the Special Taxes shall become delinquent if not paid when due as set forth in any such respective billing to the property owners.

Section 7. <u>Partial Invalidity.</u> If for any reason any portion of this Ordinance is found to be invalid, or if the Special Tax is found inapplicable to any particular parcel within the CFD, by a court of competent jurisdiction, the balance of this ordinance and the application of the Special Tax to the remaining parcels within the CFD shall not be affected.

Section 8. <u>Execution and Posting.</u> The Mayor shall sign this Ordinance and the City Clerk, within fifteen (15) days after its passage, shall cause the same to be published in three (3) public places as designated by Resolution of the Clayton City Council for the posting of ordinances and public notices.

Section 9. <u>Effective Date.</u> This Ordinance shall take effect thirty (30) days from the date of final passage.

## **AGENDA REPORT**

#### TO: HONORABLE MAYOR AND COUNCIL MEMBERS

FROM: Reina J. Schwartz, City Manager

DATE: October 4, 2022

SUBJECT: Consider and Provide Direction on Establishing a Community Committee on Financial Sustainability

#### RECOMMENDATION

It is recommended that the City Council consider whether it wishes to establish a community committee on financial sustainability and provide direction on next steps.

#### BACKGROUND

At the August 16, 2022 City Council meeting, Mayor Cloven requested that staff bring back to the Council for discussion consideration of creating a community committee on financial sustainability to increase engagement and information around City financial matters.

#### DISCUSSION

In the Spring of 2022, the City Council discussed the City's long-term financial picture and considered whether or not to place a tax measure on the November 2022 ballot. As part of those discussions, the City engaged a research firm to conduct a survey of the community regarding financial and quality of life issues. The results of the survey indicated that the community was generally not aware of the fiscal challenges facing the City and was not at that time supportive of a potential tax measure. The finding regarding the level of information the community has regarding the City's fiscal condition was significant and points to the potential benefit of having a community financial sustainability committee.

Two other cities within Contra Costa County have general community financial committees. Attached to this report are the adoption documents for the cities of Orinda and Moraga for further information.

#### FISCAL IMPACTS

There could be a range of potential costs associated with a community financial sustainability committee depending on the ultimate charter of the committee. These costs could include communication materials, printing, etc. Additionally, this committee would be supported by City staff, and would be subject to the Brown Act, adding additional duties to one or more positions in the City. Unless some programs or work can be identified that can be stopped, there may be limited staff time available to support the committee.
