6	Code Enforcement non-compliance re-inspection after the first inspection (in addition to any citation fines) (per inspection)	\$42

City of Clayton User Benefit, Regulatory and Rental Fees		
Foot Notes	Fee/Deposit Description	Proposed FY 2022-23 Fee/Deposit 5% CPI Increase (8.8% total increase)
FOOT NOTES		
1	"Time" is defined as the cost per hour for an employee at the time the costs are incurred. Costs included salary, benefits, employer taxes, overhead and overtime, as applicable. Time also means City Engineer billing (plus 15%), as well as costs of other contracts and expenses. Detail of costs are available upon request.	
2	"Cost" is defined as the cost of equipment use, non-returnable flash drive (video/audio recordings), materials, labor, and supplies.	
3	Deposits are required upon submital of an application. A minimum deposit is stipulated by these fees. At City Manager's discretion, deposit requirement can be reduced. Also, if it is the judgment of staff a minimum deposit is not sufficient, the required deposit may be increased. If, after a deposit is made, more funds are needed, the applicant will be notified when approx. 30% of the deposit remains, any additional funds estimated by staff are to be provided to replenish the deposit account for continuing work on the project, until such funds are received work on the project may be suspended.	
4	If a development project requires multiple applications, only a single deposit shall be required. In such cases, the amount of the deposit shall be the largest single deposit required by any of the applications, or an amount determined by the City Manager, not to exceed the sum of the deposits.	
5	All fixed-cost development application fees are refundable based upon the City amount of staff work completed on the process of the application and subject to approval by the City Manager.	
6	City operational costs are driven both by labor increases and by overall cost of living increases and fees are adjusted by the higher of those two each year. For FY22 the CPI is equal to 5.0%, City Labor increases are equal to either 3% or 4%; thus the rates are increasing by 5.0%. They did not increase in FY22 due to staff turnover and COVID related delays; therefore, we are also including an increase of 3.8% for FY22. The total increase from FY21 to FY23 is 8.8%.	
7	CPI in prior year Master Fee Schedule (FY 2021 or FY2022) did not result in a fee increase due to the CPI impact being too trivial to warrant a full dollar increase as fees are adopted in whole dollars only. Therefore, fees in these areas for FY2023 did not increase.	
8	Amount reflects minimum engineering deposit for standard project requirements. However additional amounts may be required as determined by the City Engineer based on the size of the project and for unusual or non-standard circumstances. All costs for inspection and administration relating to this permit shall be deducted from the inspection	
9	This specified Clayton Community Park picnic area is only available for rent in 4 hour block increments.	
10	An Arrow symbol → Indicates fee increases and will take effect 60 days after adoption that may be subject to California Government Code §66017. All other fees will take effect upon adoption of Resolutions.	
11	This is a newly added fee per California Vehicle Code Section 35700(a)
